

# **Drew Central School District**

## **District Status Report for 2004-05**

### **ACCREDITATION STANDARDS**

The Standards of Accreditation of Public Schools require that each school offer three programs of study in three different occupational areas. Below are the programs offered for 2005-06. If a program is offered at a secondary vocational center, students must be enrolled in the 2005-06 school year.

Drew Central High School is offering 12 programs of study in 11 different pathways.

#### **Pathways and Programs of Study**

##### **Administration & Information Support**

Office Administration	Approved	
-----------------------	----------	--

##### **Agribusiness Systems**

Agribusiness Systems	Approved	
----------------------	----------	--

##### **Construction**

Construction Technology	Approved	Monticello Vocational Center
-------------------------	----------	------------------------------

##### **Design/Pre-Construction**

Drafting & Design - Architectural CADD	Approved	Monticello Vocational Center
--	----------	------------------------------

##### **Facility and Mobile Equipment Maintenance**

Automotive Service Technology	Approved	Monticello Vocational Center
-------------------------------	----------	------------------------------

##### **Family & Community Services**

Family & Consumer Sciences Education	Approved	
--------------------------------------	----------	--

##### **Interactive Media**

Multimedia	Approved	
------------	----------	--

##### **Management**

Management	Approved	
------------	----------	--

##### **Power, Structural and Technical Systems**

Agricultural Power, Structural & Technical Systems	Approved	
--	----------	--

##### **Production**

Machine Tool Technology	Approved	Monticello Vocational Center
-------------------------	----------	------------------------------

Welding	Approved	Monticello Vocational Center
---------	----------	------------------------------

##### **Therapeutic Services**

Medical Professions Education	Approved	Monticello Vocational Center
-------------------------------	----------	------------------------------

**Drew Central High School rating: Meets Standards of Accreditation**

### **ACADEMIC SKILL ATTAINMENT**

Academic Attainment has been based on the number of concentrators that score above the 50th percentile on the Stanford Achievement Test-9 (SAT 9). However, the concentrators for 2004-05 were the last students to take the SAT 9 during their sophomore year in high school. Also, the end-of-level assessments in Literacy, Algebra, and Geometry will be used in the future for this measure. Although the Department did report Academic Attainment to the U.S. Department of Education, individual school districts will not be held responsible on the District Status Report this year. Next year, Academic Attainment will be based on the number of concentrators scoring Proficient or Advanced on the end-of-level assessments.

### **VOCATIONAL TECHNICAL SKILL ATTAINMENT**

Vocational Technical Skill Attainment is based on the average scores in the Vocational Student Competency Testing program for all students tested at the end of a CTE course.

	Number Tested	School Average	State Average
<b>Drew Central High School</b>	<b>85</b>	<b>69%</b>	
<b>Agriculture Education</b>	<b>18</b>	<b>48%</b>	<b>64%</b>
Agriculture Mechanics II	18	48%	66%
<b>Business &amp; Marketing Education</b>	<b>18</b>	<b>73%</b>	<b>67%</b>
Multimedia Applications I	18	73%	63%
<b>Family &amp; Consumer Sciences</b>	<b>49</b>	<b>75%</b>	<b>70%</b>
Family Dynamics	13	69%	66%
Family & Consumer Sciences	18	78%	73%
Food & Nutrition	18	78%	67%
Number tested in district:	85		
District average score:	69%		
State benchmark	80%		

**District rating: Below benchmark**  
**Meets or exceeds state average of 68%**

Note: According to the records we have from APSCN and from information submitted by the CTE teachers, it appears that the following courses were offered in the district but were not tested during the 2004-05 school year. However, if the course was offered at a secondary vocational center, the testing information will appear in the report for the center and not the district.

Agriculture Mechanics I  
 Workplace Readiness

### **GRADUATION**

The graduation rate for concentrators is based on the number of students identified as concentrators at the beginning of their senior year (completed at least two units in one occupational area) compared with the number of those who graduated.

Percent of concentrators graduated	89%
State benchmark	90%

**District rating: Approaching benchmark**

## **COMPLETERS OF PROGRAMS OF STUDY**

A completer is a graduate who successfully completed three or more units of credit within a program of study, including all the core requirements for that program of study. There are two measures for this indicator. The first is the number of completers compared to the number of graduates. The second is the number of seniors enrolled in career and technical classes compared to the number of completers.

Completers compared with graduates	43%
State benchmark	35%

**District rating: Significantly above benchmark**  
**Meets or exceeds state average of 32%**

Number of seniors enrolled compared with number of completers	48%
State benchmark	50%

**District rating: Approaching Benchmark**  
**Meets or Exceeds State Average of 37%**

Total unduplicated number of completers of programs of study	30
Information Management/Multimedia	9
Power Equipment Technology	6
Family & Consumer Sciences Education	6
Medical Professions Education	4
Machine Tool Technology	2
Construction Technology	2
Business Administration/Office Administration	1
Agricultural Science - Animal	1

## **PLACEMENT**

Placement is based on the status of completers six months following graduation. Completers who pursued opportunities in postsecondary education, the workforce, and/or the military are considered positive placements.

Completers reported in 2003-04	24
Percent positive placement	75%
State benchmark	98%

**District rating: Below benchmark**
